**DR. ANGEL C. ALCALA**  
Chairman  
Commission on Higher Education  
3rd Floor, DAP Bldg., Pasig  
Metro Manila

Dear Chairman Alcala:

The Department of Environment and Natural Resources (DENR), in coordination with the United Nations Environment Programme (UNEP)-Network for Environmental Training for Tertiary Level in Asia and the Pacific (UNEP-NETTLAP), would like to request the kind collaboration of your office for the conduct of the Senior Educators' Assembly for Environmental Planning and Management on April 29-30, 1996 at the Subic International Hotel in Zambales.

The two-day affair intends to launch the Philippine Association of Tertiary Level Institutions in Environmental Planning and Management (PATLEPAM).

PATLEPAM, which will be a network of higher education institutions, seeks to enhance the delivery of environmental training for tertiary level educators at the national and regional level educators at the national and regional levels. Further, PATLEPAM aims to: enhance information exchange and sharing on environmental planning and management; assist in curriculum development for environmental planning and management; and serve as a link between local and international networks for training in environmental planning and management.

PATLEPAM will also actively link up with the UNEP-NETTLAP. The NETTLAP undertakes regional activities aimed at increasing environmental awareness and experience of network members, particularly in the preparation and dissemination of curriculum guidelines, resource materials, learning aids and training packages for tertiary level environmental educators and trainers, and in the identification of emerging needs and consequent requirements for capacity building.

Your kind consideration and signature of the attached draft Memorandum Circular will significantly advance our efforts to muster the education sector's contribution for sustainable development.

Very truly yours,

  
**VICTOR O. RAMOS**  
Secretary
