

Republic of the Philippines
OFFICE OF THE PRESIDENT
COMMISSION ON HIGHER EDUCATION

CHED MEMORANDUM ORDER NO. 27
Series of 2006

Subject: **IMPLEMENTATION OF THE LADDERIZED INTERFACE BETWEEN TECHNICAL VOCATIONAL EDUCATION AND TRAINING AND HIGHER EDUCATION AS PROVIDED IN EXECUTIVE ORDER NO. 358 ENTITLED, "TO INSTITUTIONALIZE A LADDERIZED INTERFACE BETWEEN TECHNICAL-VOCATIONAL EDUCATION AND TRAINING (TVET) AND HIGHER EDUCATION (HE)"**

In accordance with the pertinent provisions of Article XIV of the Philippine Constitution, Republic Act No. 7722, otherwise known as the "Higher Education Act of 1994," and with Executive Order No. 358 entitled "To Institutionalize Ladderized Interface Between Technical-Vocational Education and Training (TVET) and Higher Education (HE)," the Commission on Higher Education (CHED) hereby promulgates the following Policies, Standards and Guidelines (PSG) on the implementation of the Ladderized Interface between Technical Vocational Education and Training and Higher Education Institutions (HEIs) for guidance and strict compliance of all concerned:

Article I
DECLARATION OF BASIC POLICIES

Section 1. It is the declared policy of the State to protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. For this purpose, the State shall establish, maintain and support a complete, adequate and integrated system of education relevant to the needs of the people and society and adheres to the goals of national development. Towards this end, the government shall encourage the establishment of a unified national qualification framework that establishes academic equivalency pathways and access ramps for a ladderized interface system allowing for easier transition and progressions between higher education institutions (HEIs) and TVET.

Section 2. In recognizing the foregoing declared policies on education towards the attainment of national development goals through the unified national framework of academic equivalency and recognition of competencies stated above, the State

hereby likewise recognizes and supports the promotion and protection of the inherent academic freedom enjoyed in all institutions of higher learning. For this purpose, government shall have due regard for the academic standards of the HEIs, equity principles, promptness and consistency of the HEIs' applications/admissions and its equivalency policies.

Article II OBJECTIVES, SCOPE AND COVERAGE

Section 3. The purpose of ladderized interface between TVET and HEIs is to open pathways and platforms of opportunities for career progression to students and workers. For this purpose, the CHED issues these guidelines for the development, registration and approval of standard and uniform ladderized curriculum interfacing TVET and baccalaureate degree programs.

Section 4. These guidelines shall provide the scope of CHED's responsibilities in the development of a ladderized curriculum and the processing of applications for ladderized priority degree programs initially identified by CHED and TESDA for the following courses:

1. Bachelor of Agriculture Technology (BAT)
2. Bachelor of Science in Marine Transportation (BSMT)
3. Bachelor of Science in Marine Engineering (BS MarE)

5. Bachelor of Science in Tourism Management
6. Bachelor of Science in Travel Management
7. Bachelor of Science in Nursing (thru Midwifery)
8. Bachelor of Science in Information Technology (BSIT)

Section 5. TESDA and CHED shall jointly implement pilot programs for the foregoing ladderized priority degree programs during SY 2006-2007. After which TESDA and CHED shall review and evaluate the fitness of purpose and relevance of the programs in the tertiary education sector pursuant to Section 6 of EO 358.

Section 6. SUCs and other HEIs that have established system of equivalency and recognition and such other qualification linkages between HEIs and TVETs prior to the issuance of EO 358 shall not be limited by these guidelines in the continued implementation of the same. However, such SUCs and private HEIs are encouraged to participate in the ladderized interface program between TVET and HEI pursuant to these guidelines in order to achieve a uniform and standard system of articulating the amount or extent of credits which can be expected for previous qualifications, learnings or trainings and to accelerate the development of a uniform ladderized curricula for courses/programs needed for national economic development.

Article IV
PRINCIPLES AND GUIDELINES GOVERNING GOOD PRACTICE IN THE
IMPLEMENTATION OF THE LADDERIZED PROGRAM

Section 7. HEIs intending to apply and implement a ladderized curriculum under these guidelines shall be guided by the need to align their curriculum within the standards and guidelines set herein, to increase the rigor of their technical offerings and adopt policies that promote increased options for TVET students in obtaining baccalaureate degrees utilizing the opportunities provided by credit transfer or other forms of ladderized interface between TVET and HEI.

Section 8. The CHED shall uphold the continuing integrity, quality and standards of the Framework and the programs/courses implemented in pursuance thereto. It demands from authorized HEIs full responsibility for the quality of Ladderized program program and such other qualification linkages programs that may be developed pursuant to EO 358.

Section 9. Nothing in these guidelines will be construed to restrict the HEI in the exercise of its academic freedom. The HEIs shall retain the right to assess the level and standard of previously completed TVET credits/trainings by an applicant-student in a manner that is transparent and objective, incorporating therein its own admission requirements.

Section 10. The processes, range and forms to be used for the development of ladderized curriculum should be objective, fair, appropriate, clear and consistently applied, and all information about them are accessible and/or available to applicants, academic staff, assessors or examiners, and stakeholders.

Article V
IMPLEMENTING GUIDELINES

Section 11. TVET programs duly approved by TESDA may register in a ladderized bachelor degree programs of HEIs and SUCs registered and approved by the CHED as stated in Section 4 of this guidelines.

Section 12. The CHED shall authorize the HEIs to implement the ladderized curriculum necessary for achieving global competitiveness, advancing strategic concerns of the State and promoting sustainable development in the priority programs initially identified by CHED and TESDA mentioned in Section 4 above.

Nothing will prevent the CHED to develop ladderized curriculum for other programs/courses upon recommendation of the respective Technical Panels on Ladderization.

Section 13. The applicant-student who is a graduate of a TVET program must gain admission to the HEI's undergraduate program by meeting all the usual criteria and program requisites and such other requirements by the HEI on granting of credits.
