No. 122, s. 1975

BLOOD TYPING PROJECT IN PUBLIC
SECONDARY SCHOOLS

TO: Bureau Directors
Regional Directors
Coordinator of State Colleges and Universities

1. Presidential Proclamation No. 115-A has declared the month of September as Health and Sanitation Month.
2. Pursuant to the above-mentioned proclamation, the Health and Sanitation Division of the Safety Organization of the Philippines is initiating a Blood Typing Project, in public secondary schools, the primary objective of which is to furnish each student with a medical passport which is indispensable in case of emergency.
3. In view of the laudable objective of this project, the full cooperation of school officials, particularly administrators of public secondary schools, is hereby enjoined.

(SGD.) JUAN L. HERNANDEZ
Secretary of Education and Culture
