1. The results of the 1975 National College Entrance Examination (NCEE) administered simultaneously throughout the country on November 23, 1975 has been released by this Office for distribution to all examinees concerned.

2. For the 1975 NCEE, the cut-off passing score as recommended by the NCEE Advisory Board and approved by this Office is 30th percentile rank. An examinee whose score corresponds to a 30th percentile rank or above is, therefore, qualified to enroll in four-year or more college degree courses.

3. To eliminate tampering of NCEE results and to facilitate verification, notification slips and master lists are provided with special computer marks and control numbers, to wit:

- a. A computer control number is included in each notification slip; and,
- b. Notification slips of examinees who obtained a rating below the cut-off (29th percentile or below) have a special computer mark /**⏏**/ printed after the student number. This special computer mark appears before the number of the examinee in the master lists.

4. All high schools, school divisions and regional offices are provided with master lists including all examinees in their respective areas for reference purposes.

5. Certifications on the results of the 1975 NCEB will be issued only by this Office through the National Educational Testing Center starting April 1, 1976. A service fee of two pesos (P2.00) will be charged each request.

6. Regional directors, schools superintendents, and presidents of state colleges and universities are requested to give this matter widest dissemination possible.

7. The full cooperation of all concerned regarding this matter is enjoined.
