1976 CHEMISTRY WEEK CELEBRATION

To the: Bureau Directors
Regional Directors
Coordinator, State Colleges
and Universities
School Superintendents

1. Chemistry Week this year will be celebrated from February 23 to 26, pursuant to Presidential Proclamation No. 1378.
2. Cognizant of the importance of chemistry in our daily life and in support to the activities of the Kapigang Kiniko ng Pilipinas (KKP) (Chemical Society of the Philippines) and the Philippine Association of Chemistry Teachers (FACT), the Department of Education and Culture encourages the proper observance of this Week in all schools.
3. School activities or classroom discussions in chemistry courses during the Week may revolve around the following themes and specific topics adopted by the two leading chemistry associations in their annual convention:

- Themes:
1. The Chemist: An Emerging Force in Our National Development. (KKP)
 2. Gearing Chemical Education to National Development. (FACT)
