DEPARTMENT MEMORANDUM
No. 93, s. 1977

THE ROLE OF EDUCATIONAL INSTITUTIONS IN THE OPERATION
OF THE EDUCATIONAL ASSISTANCE ACT OTHERWISE KNOWN
AS THE "STUDY NOW PAY LATER PLAN"

To: Regional Directors
Chiefs of Services and Heads of Units
Schools Superintendents
Heads of Schools, Colleges and Universities

1. The success of the operation of the program of the Study Now Pay Later Plan depends to a great extent on the close coordination between the lending institutions and the colleges and universities where loan grantees are enrolled.

2. In this connection, attention is invited to the pertinent portions of the Guidelines on the Implementation of the Educational Assistance Act (Department Memorandum No. 54, s. 1977), on the role of the educational institutions in connection with the implementation of the Plan.

III. b. Applicants whose applications have been received by the lending institutions will be referred to the college in which the applicant intends to enrol. The referral may take the form of a card or letter certifying that the applicant's application for loan is being considered or that the applicant has an approved loan application under the SNPL Plan and may therefore be allowed to register or enrol temporarily in the course indicated. The referral shall include a request to furnish the student with a statement of tuition and other school fees required for enrolment in the priority course for one semester.

3. Schools, colleges and universities in which applicants to the SNPL Plan apply for enrolment are therefore requested to return the referral of the lending institutions with a statement of (1) eligibility of the student for enrolment in the priority course applied for and (2) a statement of tuition and other fees for the course for one semester.

4. Attention is likewise invited to the provisions of Sec. 2 of Rule VIII of the Implementing Rules of P.D. No. 932 on the matter of continuance or renewal of assistance to a loan grantee. It is requested, in this regard, that grades and weighted average of grantees be submitted

at the end of each semester immediately to the DEC Educational Assistance Unit for certification and submission to the lending institution. Delay in submitting the grades of loan grantees will prejudice his/her enrollment in the succeeding semester.

5. It is desired that schools, colleges and universities where loan grantees are enrolled, give this matter the priority it deserves. Regional Directors are requested to disseminate this Department Memorandum to all educational institutions concerned in the region.

(SGD.) JUAN L. MANUEL
Secretary of Education and Culture
