DEPARTMENT MEMORANDUM
No. 165, s. 1977

CLARIFICATION OF THE IMPLEMENTATION OF DEPARTMENT MEMORANDUM
ON TRAINING OF PRIMARY SCHOOL TEACHERS ON HEALTH EDUCATION

To: Bureau Directors
Regional Directors
Chiefs of Services and Heads of Units
Schools Superintendents

1. This Office has received requests for clarification on how the division health training program described in Department Memorandum No. 77, s. 1977, may be conducted. Based on feedback gathered from the field there is some difficulty in implementing the provisions of the aforementioned Department Memorandum because of the on-going fourth level teacher training.
2. Where no plans have yet been made, it is suggested that the school health guardian training program be held five (5) consecutive Saturdays after the Level IV teacher training.
3. It is important to have a corps of trainers who are knowledgeable. It is also important to establish linkages with other agencies, particularly Department of Health, Department of Local Government and Community Development, Red Cross, etc.
4. The amount of one thousand pesos (P1,000) will be released to every region for use in augmenting local funds for training trainers at the division level as soon as training designs are submitted to this Office.
