Regional selection will be conducted by the AFS screening committees appointed by the AFS/Philippines Staff. We would like to have the involvement and cooperation of the Department of Education in this selection. We therefore request that we be furnished an updated list of names of Division officials stationed in the interview sites mentioned above, so that we can invite them to participate in the screening.

We should like to emphasize that early submission of application papers is part of the competition, and that deadline for submission is September 30, 1977. May we also suggest that the Division and Regional Superintendents and supervisors be reminded to make sure that the schools in their respective areas receive our literature and forms. The AFS Office would be glad to furnish additional copies where needed.

It is again urged that each school whose candidate or candidates qualify for placement should help in financing his contribution towards the AFS Award.

Enclosed are true copies of our preliminary application forms, the revised selection calendar and information booklets concerning the scholarships. We shall look forward to an acknowledgment from your office concerning this project.

Thank you for your cooperation.

Very Truly Yours,

(SGE. MR. WALTERED F. BLEN
