DEPARTMENT MEMORANDUM
No. 201, s. 1977

NATIONAL WORK-CONFERENCE ON MASTER OF ARTS IN TEACHING
ELEMENTARY AGRICULTURE (MATEA) PROGRAM

To: Bureau Directors
Regional Directors
Presidents, Colleges and Universities
Schools Superintendents

1. The implementation of the DEC Crash Graduate Program leading to the degree of Master of Arts in Teaching Elementary Agriculture (MATEA) has resulted in changes in many aspects of instruction on food production, work education, practical arts and green revolution. With almost 45,000 teachers enrolled in the program, control and evaluation is necessary. In view of the direct effects the program has on teachers, there is a need for sharing and exchanging expertise on the subject with educational leaders of the country. In this connection, a National Work-Conference on MATEA will be held on October 26-28, 1977, at the Mindanao Regional School of Fisheries, Zamboanga City.

2. The theme of the work-conference is "The MATEA Program in Action" and the objectives are as follows:

- a. To further explore the role of the MATEA program in countryside development;
- b. To develop further commitment to the objectives and goals of the MATEA program; and
- c. To develop guidelines for the second phase of the MATEA program supportive of non-formal education.

3. Delegates to this work-conference are presidents and/or deans of HATEA degree granting institutions, both private and public; selected schools superintendents; HATEA regional coordinators; DDC HATEA Secretaries; officials and regional directors listed in the inclosure to this Memorandum.

4. A registration fee of P200 will be charged every delegate to defray the work-conference expenses. Expenses for board and lodging, transportation and other allowances incidental to the attendance to this work-conference, including the registration fee, will be charged against the respective HATEA funds or office of the delegate, subject to the usual accounting and auditing regulations.

5. Early dissemination of this Department Memorandum is requested.
