DEPARTMENT MEMORANDUM  
No. 212, s. 1977

ASSESSMENT AND ACCREDITATION OF PARTICIPANTS IN THE NEW  
DISTANCE STUDY SYSTEM - (NUTRITION)

To: Regional Directors  
Coordinator, State Colleges and  
Universities  
Schools Superintendents  
Instructional Supervisors, Distance  
Study System

Hereunder are the guidelines for assessment and accreditation of students enrolled under the Distance Study System - Learning Package in Nutrition:

1. After the student shall have completed all the modules in the Learning Package, the instructional supervisor sends the National Office a certification to the effect that the student has completed all course requirements and is ready for assessment (Format attached).
2. The National Office then sends the final examination questions which shall be administered by the instructional supervisor.
3. The instructional supervisor corrects the final examination and rates the student on the basis of his over-all performance on the modules (evaluation is built in each module), practicals and final examination. Only the final rating is sent to the National Office (Rating cards shall be provided).
4. The National Office then issues a certificate of completion and a memorandum to the President/Head of the University/College or the LMD(SA) MAT(PAN) or MAT(UE) program where the student is enrolled.
5. The course shall be accredited as a required course under the MAT(SA) (MATSA revised curriculum attached), MAT(PAN) or MAT(UE) program and either as a required or elective course in any other curricular program where the student is enrolled.
