DEPARTMENT MEMORANDUM
No. 33, s. 1978

RESEARCH ON AGRICULTURAL AND FISHERY SCHOOLS

To: Bureau Directors
Regional Directors
Coordinator, State Colleges and Universities
Schools Superintendents

1. The Philippine Council for Agriculture and Resources Research (PCARR), a government coordinating research agency, has assigned the Philippine Normal College to undertake a study entitled "An Assessment of the Curricula and Delivery Capabilities of Public Vocational Agricultural and Fishery Schools in the Philippines."
2. The study will involve (a) securing responses from a sample of students, alumni, faculty members, and administrators and (b) analyzing data from school records. The results will be useful to the Department of Education and Culture as basis for determining how the curricula of agriculture and fishery schools can be restructured to meet the country's manpower needs.
3. In view of the importance of the study, it is enjoined that all the necessary assistance be extended to the research team.
4. Further details regarding this study can be obtained from the research team through the President, Philippine Normal College, Manila.
