1. Inclosed is a list of one hundred and twenty-seven (27) national state scholars and forty-nine (49) local state scholars who qualified in the State Scholarship Test conducted on January 22, 1978 throughout the country.
2. The names of other local state scholars are being withheld pending receipt by the National Scholarship Center of a certification by the respective schools superintendents that the Local School Board is willing and financially capable to support the new or additional local state scholar.
3. The schools superintendents concerned, as chairmen of their respective school boards, are requested to extend full assistance to the legitimate financial needs of the local state scholars.
