OFFICE OF THE SECRETARY

I call on all civic-spirited citizens to rise to the challenge of the Compassionate Society by supporting the national fund campaign launched by the Narcotics Foundation of the Philippines, Inc.

The Foundation is a private, voluntary, non-profit organization dedicated to assisting the government in the prevention and control of drug abuse. This noble enterprise is supported mainly by contributions and endowments raised at annual fund-raising campaigns authorized by presidential proclamation.

A wide gamut of services are offered free of charge to the needy from whatever funds are raised during the campaigns. These services include information campaigns on the nature and extent of the drug abuse problem, "walk-in clinics" at poverty-stricken areas, a rehabilitation and treatment center, a research team on the reduction and solution of the drug abuse problem, and after-care and supportive services for deserving rehabilitated dependents.

In the year 1977, the Foundation plans to expand and improve the sorely inadequate facilities of its rehabilitation center called "Ang Tahanan". It is therefore launching a nation-wide sales campaign for the "Ang Tahanan" Rehabilitation Center Fund and Protection Cards costing ₱5.00 each. The donor not only derives the satisfaction of contributing towards a worthy cause, but also receives free accident insurance coverage in the amount of ₱2,000 for one year.

The Narcotics Foundation of the Philippines, Inc. is one of the major civic and charitable organizations in the country which deserve the wholehearted support of the national community. With your financial assistance, please help us to prevent and control drug abuse.
