MEMORANDUM
No. 212, s. 1978

NATIONAL WORKSHOP ON EDUCATIONAL TECHNOLOGY WITH
SPECIAL REFERENCE TO DEVELOPMENT OF
LOW-COST EDUCATIONAL MATERIALS

To: Bureau Directors
Regional Directors
Chiefs of Services and Heads
of Units
Coordinator, State Colleges and Universities
School Superintendents

1. The Ministry of Education and Culture, in cooperation with the Asian Center of Educational Innovation for Development, UNESCO Regional Office for Education, Bangkok, Thailand, will conduct a national workshop in educational technology with special reference to the development of low-cost educational materials, on August 21-25, 1978 at the Lomery Pilot Training Center in Batangas.
2. The objectives, expected outcomes and various activities of the workshop and the list of participants are enclosed.
3. Participants are requested to take along as many model teacher-or-pupil-prepared educational materials as possible, with the accompanying instruction sheets, which will be exhibited at the workshop. They should also take along some indigenous raw materials and work implements which can be used in the preparation of low-cost educational materials.
4. For diems and transportation expenses to Lomery, Batangas and return of participants from the state colleges, including PNC, curriculum development centers and office units are chargeable against the funds of their respective offices, while those of the division educational media supervisors from the 13 regions and members of the RIE taskforce are chargeable against the funds of this Office-subject to the usual accounting and auditing regulations.

5. The selected participants are expected to organize and conduct similar workshops in their respective areas or regions.

6. It is requested that this memorandum be disseminated immediately.

(SMB) HAN L. HANCOCK
Minister of Education and Culture

NATIONAL MINISTRY OF EDUCATIONAL DEVELOPMENT WITH
SPECIAL ASSISTANCE TO DEVELOPMENT OF LOW-COST
EDUCATIONAL MATERIALS

Objectives:

1. To develop model low-cost/simple materials out of locally available materials with corresponding instructional sheets.
2. To evolve a set of guidelines for designing, development and utilization of low-cost/simple educational materials, out of local materials.
3. To make an inventory of low-cost/simple materials including games and toys being used in the country.
4. To identify un-used and under-utilized materials and innovative techniques and methods for production of low-cost/simple materials.

Expected Outcomes:

1. Model low-cost/simple materials made out of locally available materials.
2. Set of guidelines for designing, development and utilization of low-cost/simple materials for teachers.
3. Inventory of low-cost/simple materials including games and toys being developed and used in the country.
4. Identification of un-used and under-utilized materials and innovative techniques and methods for production of low-cost/simple materials.

Activities:

1. Displays of low-cost/simple materials produced within the country and games and toys being used in the country.
2. Demonstrations on the use of materials being collected.
3. Designing and production of model low-cost/simple materials with instructional sheets.
4. Identifying/classifying un-used and under-utilized materials and innovative techniques and methods for production of low-cost/simple educational materials.
