DIRECTORY OF AGENCIES SERVING CHILDREN AND YOUTH

To: Bureau Directors
Regional Directors
Coordinator, State Colleges and
Universities
Schools Superintendents

1. The Child and Youth Research Center, Ministry of Education and Culture, has published a Directory of Agencies Serving Children and Youth. The directory contains the names of different agencies, both public and private, concerned with child-youth welfare and development, their respective addresses, their functions and fields of specialization, as well as other necessary information about them.

2. The directory is very useful to guidance counselors, researchers, social workers, teachers, and other professionals concerned with child-youth welfare and development. It also helps in bringing the services provided by the government closer to the country's younger population. It is ultimately the students who will benefit from the availability of the directory.

3. The use of the directory is, therefore, recommended. It can be obtained at P10 a copy from the Child and Youth Research Center, Kayumanggi Building, 940 Quason Avenue, Quezon City. Purchases may be charged against office appropriations, subject, however, to the usual accounting and auditing regulations.

4. All schools superintendents and heads of institutions are hereby enjoined to have in their library at least a copy of the aforementioned directory.
