DISPOSITION OF MATEA LIBRARY AND LABORATORY FEES

To: Bureau Directors
Regional Directors
Presidents/Superintendents of MATEA
Degree Granting Institutions
Coordinator, State Colleges and Universities

1. It has come to the attention of this Office that in some cases library and laboratory fees collected from students of the MATEA Program are not being spent for the purpose but instead are being reverted to honorarium or other expenses in the operation of the Program.
2. Since the MATEA Program receives no funds from the government to finance its operation it is imperative that these fees be spent exclusively for the purpose for which they are intended.
3. Effective the second semester of SY 1978-79, the library and laboratory fees should be utilized to purchase the much needed materials such as MATEA modules, tools and equipment for use at the Learning Centers. All expenditures of these funds should have the prior approval of this Office.
