1. The booklets, "Mga Yunit sa Sariling Pag-saral sa Edukasyong Pampopulasyon (YSP)," are prototype self-learning reading materials in population education which were prepared by the Population Education Program Unit in cooperation with the UNESCO Regional Office, Bangkok. These have been tried out in selected regions and subsequently revised to suit the needs of both Tagalog and non-Tagalog pupils in the sixth grade.
2. These self-learning units may be used as supplementary materials in connection with the teaching of the grade six sub-units in Population Education, or as models for the development of similar materials.
3. Each region will receive one set of these self-learning units while each division will be sent 10 sets. Each set consists of eight (8) YSPs and one (1) Manwal ng Guro. Superintendents are enjoined to distribute the 10 sets to selected public and private elementary schools in their divisions. To adequately meet the needs of their divisions regional offices may reproduce these materials to be distributed free or sold at cost.
4. The sets sent by this Office are accountable property.
5. Immediate dissemination of this Memorandum to all concerned is desired.
