2. The WSO, which is holding the Third World Safety and Accident Prevention Congress (WOSAPCON) in Buenos Aires from September 27 to October 3, 1980, is offering free live-in participation for one participant from each member-institution in the international executive course held once a year. The membership fee of each member-institution is \$1,000 per annum, subject to the availability of funds and the usual accounting and auditing requirements.
