RESULTS OF THE NATIONAL INTEGRATION STUDY GRANT TEST

To: Bureau Directors
Regional Directors
Coordinator, State Colleges
and Universities
Schools Superintendents
Heads of Private Schools, Colleges
and Universities

1. Inclosed is a list of 935 successful examinees out of the 6,175 who took the National Integration Study Grant Test administered by the National Scholarship Center, this Ministry, in different test centers throughout the country on January 7, 1979.
2. This list represents the members of various cultural communities who were selected on the basis of their test performance and the quota allocated for each tribe which was determined proportionately according to the tribe's population and representation in the program.
3. The release of 185 names is being withheld pending the result of the verification of the parents' income tax returns, transcript of records and other pertinent supporting documents.
4. Among the privileges given to these study grantees are a monthly stipend of P250, semestral book allowance of P250, and payment of tuition fees and other school accounts.
5. The successful examinees are requested to inform the National Scholarship Center of their acceptance or rejection of this award upon receipt of notice of scholarship and other pertinent papers from the Center.
6. The regional or division supervisors/coordinators in charge of the scholarship and study grant program are requested to extend guidance services to the grantees in the selection of their courses and schools which list has been furnished by the National Scholarship Center.

Inasmuch as these are financially disadvantaged students, it is requested that all colleges and universities admit them and later submit to the National Scholarship Center, the awardees' enrollment certificate and statement of accounts duly signed and sealed by the school registrar or the authorized school official in order to expedite payment of awardees' stipend and school accounts.

Immediate dissemination of the contents of this memorandum is hereby enjoined.
