MEMORANDUM
No. 145, s. 1979

AUTHORIZING THE PHILIPPINE TUBERCULOSIS SOCIETY TO CONDUCT
THE 1979 NATIONAL EDUCATIONAL AND FUND CAMPAIGN

To: Bureau Directors
Regional Directors
Presidents, State Colleges and Universities
Schools Superintendents
Heads of Private Schools, Colleges
and Universities

1. Inclosed is Proclamation No. 1848 of His Excellency, President Ferdinand E. Marcos, dated April 26, 1979, authorizing the Philippine Tuberculosis Society, Inc. to conduct a national educational and fund campaign from January 15 to December 31, 1979.
2. The Proclamation specifically calls upon all citizens and residents of the Philippines regardless of race and creed "to support actively and give generously of their time and resources to the Anti-TB cause, so as to hasten the control of this debilitating disease, minimize human suffering among the afflicted, and promote national strength and prosperity through a healthy citizenry free from the dangers of the disease."
3. Since the Proclamation allows solicitation of contributions for a worthy cause and in view of the improved and effective fight against tuberculosis through domiciliary visits especially in the rural and/or overcrowded areas, this Office strongly endorses this fund campaign. It is requested that all efforts be exerted to the end that school officials, teachers, faculty members, students, pupils, and other school personnel give liberally to the Society.
4. Remittances from each superintendent or school shall be in check or money order drawn in favor of the Philippine Tuberculosis Society, Inc. (1979 Fund Campaign) and transmitted to the Regional Office, c/o the Regional Director who, in turn, shall transmit said check and/or money order to the Ministry of Education and Culture, c/o Deputy Minister Narciso Albarracin, Campaign Chairman. In every case, the transmittal letter should indicate in summary form the sources of the collection to enable the Educational Institutions Division of the Philippine Tuberculosis Society, Inc. to keep tab of the progress of the campaign and determine the extent of compliance of all concerned.

5. To avoid overlapping in the campaign effort of all participating agencies, it should be understood that donations to the 1979 Anti-78 Fund Campaign raised from Educational Institutions Division shall not be claimed by any of the fund campaign unit as part of the over-all collection of a province or city notwithstanding the fact that a school superintendent or a school head may be a member of any of the provincial or city fund campaign committees.

6. It is desired that this Memorandum be brought to the attention of all concerned for their information and guidance and that appropriate steps be taken immediately for its effective implementation.
