No. 281, s. 1979

REFRESHER COURSE ON HEALTH FOR FIRST AID TEACHERS
AND GUIDANCE COUNSELORS

To: Bureau Directors
Regional Directors
School Superintendents
Presidents, State Colleges and Universities

1. The Philippine Pediatric Society Inc. Committee on Refresher Course for Health Personnel will offer a two-day refresher course for first aid teachers and guidance counselors on February 7-8, 1980 at the Penthouse of United Doctors Medical Center, Quezon City.

2. The objectives of the refresher course are to enable the first aid teachers and guidance counselors to:

- identify common ailments as well as treat simple cases while referring the more complex and serious cases to proper agencies;
- assess normal growth and development as well as the nutritional status of the pupils/students;
- implement preventive measures against common communicable diseases and accidents; and
- handle first aid treatment.

3. A registration fee of P75 entitles each participant to two lunches, handouts, manuscripts of the lecturers and a certificate of attendance.

4. Since this refresher course is expected to help upgrade the competencies of first aid teachers and guidance counselors and enable them to be effective guardians of the

health of our school children, this Office enjoins and encourages the first aid teachers and guidance counselors to attend the course.

5. The attendance of the participants will be on official time only. All expenses shall be personal.

6. Wide dissemination of the content of this Memorandum is desired.

(SGD.) HERMENEGILDO S. DUMLAC
Acting Minister of Education and Culture
