To: Bureau Directors
Regional Directors
Chiefs of Services and Heads of Units
Presidents, State Colleges
and Universities
Schools Superintendents

- 1. For strict compliance, there is inclosed herewith LOI 990 of the President of the Philippines, prescribing the manner of controlling the use of government motor vehicles.
- 2. In addition to the provisions of the aforesaid LOI, it is desired that motor vehicles which have been in use for 10 years or over should no longer be repaired. In like manner, airconditioners which have been in use for 6 years or over should not be repaired anymore. Experience has shown that these old motor vehicles and airconditioners are too unsconomical to maintain. The motor vehicles may be transferred without cost to government vocational schools for instructional purposes.
- 3. Regional directors are enjoined to devise ways of pooling motor vehicles under their jurisdiction to ensure the optimum utilization of the aforesaid vehicles.
- 4. In the Ministry proper, motor vehicles now under the custody of Bureau Directors, Directors of Centers and Chiefs of Services and Units are hereby placed under the MEC Motor Pool, General Services Division. All papers concerning each notor vehicle should be turned over to the Chief of the said division, who shall be responsible for the registration, maintenance and insurance of these vehicles. All trip tickets shall be approved by the Chief, Administrative Service or his authorized representative

pursuant to a Travel Authority only approved by proper authorities.
