MEC M E M O R A N D U M
No 127, s 1980

PURCHASE OF PRODUCTS PRODUCED IN VOCATIONAL/TECHNICAL SCHOOLS

To Bureau Directors
Regional Directors
Chiefs of Services and Heads of Units
Schools Superintendents
Presidents, State Colleges and Universities
Heads of Private Schools, Colleges and Universities

1 The expected enrolment both for the elementary and secondary levels for school year 1980-81 is projected at 11,790,000 and that by school year 1984-1985, it is estimated to reach a total of 13,153,000. The pressure that will be exerted by the yearly increase in enrolment in terms of needs for school desks, furniture, tools, equipment and other needs will be indeed tremendous.

2 Cognizant of the role of vocational-technical schools in support of the national effort for increased productivity the production of school desks, furniture, tools, equipment, farm and fishery products and others is an approach to meeting the vital needs of the increasing student population in the elementary, secondary and tertiary schools. This productivity effort which is in consonance with the job creation program will give impetus to the creation of income-earning opportunities in the rural areas and raise the level of income of these vocational-technical schools.

3 Henceforth, it is desired that schools superintendents and heads of offices under the Ministry of Education and Culture make their purchase orders of desks, furniture, tools, equipment, farm and fishery products needed in their respective agencies directly with the vocational-technical school nearest their school or office.

4 In order to meet the requirements of schools and end-users it is desired that vocational-technical schools identified as production centers initiate quality control in the production of articles offered for sale and that prices for these commodities be competitive in the local or open market. Inclosed is a list of schools that have been identified as production centers.

5 It is desired that this Memorandum be given wide dissemination in the field.

(SGD) ONOFRE D. CORPUZ
Minister of Education and Culture
