MEC-MHS BLISS II PROGRAM IN AGRICULTURAL SCHOOLS

To: Bureau Directors  
Regional Directors  
Schools Superintendents  
Presidents, State Colleges and Universities  
Vocational School Administrators

1. In connection with the Bagong Lipunan Sites and Services Level II (BLISS II) program of the Ministry of Human Settlements and the Ministry of Education and Culture, agricultural schools are tapped to implement its objectives and purposes which are as follows:

- a. To provide wider facilities for the national livelihood program of the government by utilizing certain areas of agricultural schools for projects that will serve as model for the depressed areas of the province.
- b. To establish a mini-agro-industrial estate in an area of 10-100 hectares or more as production growth centers using and maximizing the technology and manpower available in agricultural schools.
- c. To demonstrate the schools capability to meet the challenges of agricultural production and processing and marketing operations, given the right kind of technology and financial support to undertake crop and animal projects in commercial volume.
- d. To use the BLISS II projects for technology dissemination and training in the different areas of agricultural enterprises.
- e. To utilize the BLISS II experience in the modification of existing curricular offerings in vocational agriculture and agricultural technology to actual agricultural instruction.

2. A National Executive Committee and a BLISS II Task Force composed of the ministers and other officials from the two ministries were organized with the responsibility of formulating plans, policies, programs, guidelines and to oversee and monitor the implementation and operation of the program.

3. The compositions of the National Executive Committee and the BLISS II Task Force are:
