7TH INTERNATIONAL CONFERENCE ON BROADENING OPPORTUNITIES
THROUGH ASSESSMENT IN EDUCATION

To: Bureau Directors
Regional Directors
Schools Superintendents
Presidents, State Colleges and Universities.

1. The Seventh Annual Conference of the International Association for Educational Assessment on Broadening Opportunities through Assessment in Education to be hosted by the Ministry of Education and Culture, will be held on May 25-29, 1981 at the Philippine International Convention Center.
2. The objectives of the international conference are to:
 - a. extend to an increasing number of people from all walks of life, the benefits of improved education through international cooperation, educational assessment, and research;
 - b. establish closer ties among agencies, national machineries, and institutions that influence and serve educational systems and processes to the end that nations may learn from one another, and do so with no diminution of their cultural autonomy; and
 - c. identify and apply for proper assessment techniques for the improvement of educational processes.
3. The participants to this international conference shall be limited to individuals in the public and private sectors involved in assessment, administrators or their representatives who are assessment-oriented.
4. Inclosed is a list of sub-committees and the key officials involved in coordinating the different activities.

5. All officials concerned are enjoined to give preferential attention to this matter and to share earnest efforts for the success of this undertaking.
