MBC MEMORANDUM
No. 65, s. 1981

SEMINAR-WORKSHOP ON NUMERICAL CONTROL MACHINES

To: Regional Directors

1. A seminar-workshop on Numerical Control Machines under the joint sponsorship of the Technological University of the Philippines and the Philippine-Japan Friendship Association (PHILJAPA) will be held at the Main Campus, Technological University of the Philippines, on April 21-25, 1981.
2. The objectives for the seminar-workshop are:
 - a. to upgrade the knowledge and skills of machine shop instructors; and
 - b. to orient machine shop instructors in the use of modern machine tools and cutting tools.
3. Among the activities in the seminar-workshop are the following:
 - a. Programming and process-sheet making.
 - b. Numerical Control Machine operation, tape punching and tool setting and NC cutting.
 - c. Plant visits to industrial companies using numerical control machines.
4. Vocational schools/colleges, state colleges/universities may send one (1) Machine Shop Instructor, preferably one who has had training in Machine Shop in Japan, to attend the seminar-workshop. All expenses incident to attendance to the seminar-workshop, including

a seminar fee of P200 to cover handouts and project materials shall be charged against local funds, subject to the usual accounting and auditing rules and regulations.

5. Participants to the seminar-workshop shall be limited to twenty-five (25). To be assured of slots, prospective participants are advised to register in writing with the Officer-in-Charge, College of Engineering, Technological University of the Philippines, Ayala Boulevard, Ermita, Manila, on or before April 15, 1981.

6. Immediate and wide dissemination of this Memorandum is desired.

(SGD.) ONOFRE D. CORPUZ
Minister of Education and Culture
