Heads of Private Schools, Colleges and Universities

1. Gymnastics is an event played in the olympic and other international competitions.
2. It has been included in the physical education program of all public and private schools because of its great value in skill development and physical fitness. It has not, however, heretofore been included in any MEC-sponsored athletic meets in spite of youth's adaptability to it.
3. Beginning this school year, 1981-1982, gymnastics for boys and girls shall be played at the integrated elementary and secondary levels MEC-sponsored athletic meets, including the Palarong Pambansa.
4. Athletes who will participate in this event must not have reached the age of fourteen (14) as of the opening of the Palarong Pambansa. The team composition shall be twelve (12) players; six (6) boys and six (6) girls.
5. The cooperation of everyone concerned towards the development of this sport is enjoined.
6. Immediate dissemination of this Memorandum is desired.
