No. 152, s. 1981

VOCATIONAL TOOLS AND SKILLS DEVELOPMENT CENTERS  
FOR SECONDARY SCHOOL-BASE NON-FORMAL EDUCATION

To: Bureau Directors  
Regional Directors  
Schools Superintendents

1. In line with the Ministry's efforts to provide schools with needed tools and equipment for vocational skills training programs, the Office of Non-Formal Education is distributing to secondary schools craftsman tools, shoe and leather repair kits, manicure sets and beautician sets.
2. These tools and equipment are to be used by the schools in training members of the Kabataang Barangay, out-of-school youth and adults to enable them to develop income-generating skills.
3. Inclosed is the list of recipient schools of these tools and equipment. These schools will serve as training centers.
4. Arrangements should be made by the regional offices for these tools to be picked up from the warehouse at the following address:  

2111 Tindalo St.  
Makati, Metro Manila  
c/o Mr. Menandro Aguila  
In-Charge, MEC Equipment Bodega
5. In addition, electronic and radio repair kits are also available. Each region shall set up skills-development centers for the use of these kits. The following guidelines are suggested in setting up the centers:
  - a. A regional committee of 4 or 5 members headed by the regional director shall be created to take the responsibility of selecting the divisions and secondary schools where the centers will be set up.

- b. Only nationally aided high schools (provincial, municipal, city and barangay) may be chosen. National high schools are not included in the selection.
  - c. The school should have existing nonformal education classes with at least thirty members.
  - d. There should be qualified instructors for the centers. They may be members of the teaching staff who will teach on part-time basis, and/or members of the community who will be given honoraria for their services.
  - e. The center will serve both as training venue and community shops where the trainees may eventually work and be paid for their services.
  - f. Each region may have 3 centers. Each center will be given 10 to 15 kits.
6. It is suggested that the selection of schools for paragraph 5 be done immediately. The list of schools and respective divisions should be submitted to the Office of MFE on or before September 30, 1981.
7. Immediate dissemination of the contents of this Memorandum is desired.
