Regional Directors
Schools Superintendents
Heads of Private Schools, Colleges and Universities
Vocational School Superintendents/Administrators

1. The Ministry of Education and Culture Population Education Program Unit (MEC-PEP) and the Population Center Foundation (PCF) will conduct simultaneously two complementary live-in training workshops at the PCF Building, South Superhighway, Makati, Metro Manila on 19-30 April 1982. This is in connection with the MEC-PEP and PCF joint project, "Meeting Regional Information Needs in Population Education," which is aimed at strengthening the regionalization of population education by fostering work linkages between the MEC regional offices (MECROs) and their support institutions.
2. One librarian from each of the 13 support institutions and the PEP Central Office will be the participants of one workshop, while one technical staff from each of the 13 regional offices and the PEP Central Office will comprise the participants for the other workshop. The list of participants is inclosed.
3. During the workshop, the librarians, on the one hand, will be trained on the provision of more active information services to their users, particularly the MECROs. On the other hand, the technical staff from the MECROs will be trained on the development and production of low cost teaching aids in population education based on the information provided by the librarians.
4. Travel expenses will be reimbursed from the funds of the project. Board and lodging and daily stipends of the participants will be shouldered also by the project. Arrangements for board and lodging have been made with the Social Welfare and Development Centre for Asia and the Pacific which is situated beside the PCF building.
