MASTER IN URBAN AND REGIONAL PLANNING PROGRAM
AT THE UNIVERSITY OF THE PHILIPPINES

To: Bureau Directors
Regional Directors
Schools Superintendents
Presidents, State Colleges and Universities

1. The Institute of Environmental Planning of the University of the Philippines, Diliman, Quezon City announces its Master in Urban and Regional Planning (MURP) Program.
2. The program, focusing on urban and regional planning as a strategy in national development, is designed particularly to produce capable professional urban and regional planners whose training and outlook will fit the needs of a developing country like the Philippines. It will take two years of full-time and about three to four years of part-time study to finish it.
3. The Institute is now accepting applications for admission to the program for the first semester of school year 1982-1983, preferably qualified students who have studied architecture, economics, engineering, geography, law, public administration, social science, statistics, surveying, environmental health, agriculture and forestry in their first degree and who have had two or more years of work experience. The applicant must pass the Institute's entrance written examination and oral interview, which is scheduled this year on April 30 and May 3-7, respectively. Application forms are available at the Administrative Office of the Institute, or may be requested by writing to the Director of Graduate Studies, Institute of Environmental Planning, U. P. Diliman, Quezon City.

4. Immediate dissemination of ~~the~~ ~~MEMO~~ Memorandum to all concerned is requested.
