1. The 2nd Kanagawa Biennial World Children's Art Exhibition will be held in March 1983 at the Gallery of the Kanagawa Kenmin Hall in Yokohama. The first Kanagawa Biennial was held in March 1981 with a participation of 22,472 works (13,717 children of Kanagawa, Japan and 8,762 from 65 other countries).

2. The Kanagawa Biennial is an international festival of children's art organized and established by Kanagawa Prefecture, Japan in 1980. It is aimed at promoting international understanding and cultural exchange among the children of the world through paintings.

3. Considering the aesthetic value of art in our everyday living and its significant contribution in fostering the dreams and creativity of children who are the standard bearers of tomorrow's world, it is urged that qualified elementary school children participate in this exhibition. Along this line, all elementary schools, especially member schools of the National Federation of UNESCO Clubs and Associated Schools project on education for international cooperation and peace, are enjoined to support this world-wide festival.
