1. The Premyo Savings Bond Flotation Program, being undertaken by the Central Bank through its Securities Marketing Department, will again conduct its promotional and informational campaign this year.

2. Inspired by the significant gains realized in the past years among public and private schools, the Central Bank is again seeking the cooperation of this Ministry in this campaign. It is suggested that full support of the schools be enjoined to further intensify the information dissemination drive.

3. Officials of the Central Bank will visit school divisions from time to time to promote the program. Inclosed is the schedule of provinces and cities to be visited during the 1982 campaign. It is desired that school heads/administrators be advised accordingly.
