No. 147, s. 1982

WORKSHOP ON PRIMARY HEALTH CARE FOR DEANS/PRINCIPALS OF COLLEGES/
SCHOOLS OF NURSING, MIDWIFERY, PHARMACY, DENTISTRY,
MEDICAL TECHNOLOGY AND SOCIAL WORK

To: Bureau Directors
Regional Directors
Presidents, State Colleges and Universities
Heads of Private Colleges/Schools of Nursing,
Midwifery, Pharmacy, Dentistry, Medical
Technology, Nutrition and Social Work

1. Cognizant of the important role of medical and allied health schools in facilitating the implementation of health programs of the government by producing graduates who possess the knowledge, attitudes and skills in Primary Health Care, the Ministry of Health (MOH), through its Office of Health Education and Personnel Training (OHEPT), in cooperation with the Ministry of Education and Culture (MEC), will hold a series of workshops on Primary Health Care (PHC) for deans/principals of colleges/schools of nursing, midwifery, pharmacy, dentistry, medical technology, nutrition and social work. The venues and schedules of the workshops to be conducted starting on July 7, 1982 are indicated in the inclosure to this Memorandum. The program of activities is also inclosed.

2. The general objective of this workshop is to enable administrators of schools/colleges of nursing, midwifery, pharmacy, dentistry, medical technology, nutrition and social work to understand the concept of Primary Health Care and its implications to education in general and to the specific degree programs in particular.

3. The following are the specific objectives:

- a. Explain the concepts, approaches and strategies of Primary Health Care;
- b. Discuss the general functions/activities of nurses, midwives, pharmacists/medical technologists, nutritionists and social workers in Primary Health Care;

(Inclusion No. 1 to MEC Memorandum No. 147, s. 1982)
