MEMORANDUM
No. 163, s. 1982

SUBSTITUTION ARRANGEMENT FOR ERP-PRODED TRAINORS

To: Regional Directors
School Superintendents
Presidents, State Colleges and Universities
Heads of Private Schools, Colleges and Universities

1. The Program for Decentralized Educational Development (PRODED) has Staff Development as one of its major components envisioned to be the principal strategy for building the needed individual and institutional capabilities in MEC towards the reshaping of Filipino elementary education for a truly literate, nationalistic, versatile and productive citizenry.
2. The Staff Development Component of PRODED, known as the Educational Reorientation Program (ERP) is a massive and long-term training effort that will necessitate the full time involvement of selected trainors. The trainors who were carefully selected through a rigid screening process and given training will be responsible for the ERP implementation at the regional and sub-regional levels.
3. In view of this, substitute teachers should be provided for positions temporarily vacated by the trainors who are involved in PRODED-ERP for a minimum period of two (2) years. In schools where there are more vacant positions (e.g. resulting from maternity leave, study leave, sick leave, etc.) than substitute teachers, priority should be given to the classes left by the trainors.
4. Inclosed is a list of those who qualified for admission to the Program, and their respective training schedule.
5. Wide dissemination of this Memorandum is desired.
