No. 187, s. 1982

SCIENCE CLUB MONTH CELEBRATION

To: Bureau Directors
Regional Directors
Schools Superintendents
Vocational School Superintendents/Administrators
Heads of Private Schools, Colleges and Universities

1. Pursuant to Proclamation No. 1885, dated September 4, 1979, the Science Promotion Institute in coordination with the Ministry of Education and Culture and other agencies, both public and private, will celebrate the National Science Club Month in September 1982.

2. Towards a wider and more effective participation of the youth in the promotion of science and technology among our people particularly those in the rural areas of the country, the theme of this year's NSCM Celebration is: "Kapisanang Agham: Kabalikat sa Kilusang Kabuhayan at Kaunlaran". The following will be the focus of each week's activities:

- 1st Week - Manpower Development: The Science Club Way
- 2nd Week - Appropriate Technology for KKK
- 3rd Week - Information Dissemination Through Science Clubs
- 4th Week - Science Clubs and the Demand of the 80s

3. The inclosed Program of Activities should serve as basis in the planning of appropriate, meaningful and economical activities for all levels - national, regional, division and district in the elementary and secondary schools both public and private.

4. Regional and division supervisors of science, science club advisors and students concerned are authorized to attend the NSCM Celebration. Travel

expenses incident to the participation of those concerned in the week-long activities at the national level, shall be charged against local funds, subject to their availability and the usual accounting and auditing rules and regulations.

5. In view of the significant role of science clubs in the promotion of science and technology consciousness among our people, teachers, school officials and students are enjoined to participate in the celebration of NSCM.

6. It is desired that the contents of this Memorandum be disseminated widely and immediately.
