Vocational School Superintendents/Administrators

1. The 33rd Annual Convention and Seminar-Workshop of the Ministry of Education, Culture and Sports Dentists Association (MUSDA), will be held at Teachers Camp, Baguio City on April 26-28, 1963. This year's theme is "Continuing Professional Dental Education: A Must."
2. The objectives of the dental seminar-workshop are:
 - a. to update the professional knowledge and skills in dental science and technology;
 - b. to introduce innovations in the school dental health programs; and
 - c. to gain knowledge on the monitoring system relative to children dentistry.
3. In view of the advantages that may be derived from this seminar-workshop, particularly in regarding competencies and enhancing professional growth, all school dentists and dental supervisors, both from public and private schools, are enjoined to attend.
4. A registration fee of P100 shall be charged each participant to cover seminar expenses for handouts and other materials. School dentists coming from private schools, colleges and universities may charge their travel expenses to their respective schools. Public school dentists including those from vocational and national high schools may charge their travel expenses against local funds, subject to availability and the usual accounting and auditing regulations.

5. It is decided that this Memorandum be disseminated to all concerned.
