FIFTH NATIONAL PHYSICS TEACHERS' CONVENTION

To: Bureau Directors  
Regional Directors  
Schools Superintendents  
Presidents, State Colleges and Universities  
Heads of Private Schools, Colleges and Universities  
Vocational School Superintendents/Administrators

1. The Fifth National Physics Teachers' Convention will be held at the Science Education Center, University of the Philippines, Diliman, Quezon City on June 1-3, 1983 as part of the U.P. Diamond Jubilee celebration, under the sponsorship of the U.P. Science Education Center and the Philippine Association of Physics Teachers. The theme of the convention is "Teaching Strategies for Better Concept Formation in Physics."
2. The activities in the three-day convention will primarily consist of teaching demonstrations using strategies effective for better concept formation, reviewing and discussing of concept learning studies in physics, lectures from invited speakers, presentation of papers from participants, and some demonstrations with VTR/A-V aids for teaching Physics.
3. Physics teachers from public and private high schools are encouraged to attend the convention. Science supervisors and department heads may also attend the convention. Certificates of Attendance will be given to those who attended all the sessions.
4. Public and private school teachers shall attend this convention on official time only. A convention fee of P50 shall be charged to defray expenses for handouts and other materials. Convention fees, transportation and other expenses incidental to participation in this convention shall be borne by the participant himself. Assistance in getting dormitory accommodation in the U.P. Campus will be provided upon request.
5. For further details about the convention address inquiries to:
