MEMORANDUM  
No. 102, s. 1983

MASTER OF STATISTICS PROGRAMS

To: Bureau Directors  
Cultural Agency Directors  
Chiefs of Services and Heads of Units  
Regional Directors  
Schools Superintendents  
Presidents, State Colleges and Universities  
Vocational School Superintendents/Administrators

1. To meet the needs of industry and government for statistical personnel at the supervisory level, the Statistical Center, University of the Philippines is offering statistics graduate programs and a limited number of fellowships for school year 1983-84.
2. Graduate programs in statistics include the Master of Statistics and the Master of Science (Statistics). The Master of Statistics Program is application-oriented. Areas of application/thrusts of the programs include time series analysis and forecasting techniques, multivariate techniques, decision making, sampling, and experimental statistics, and econometric methods.
3. A limited number of fellowships (free tuition and other fees) are available. Government employees, however, are entitled to a fifty per cent (50%) discount on tuition fees. Candidates for admission must have a bachelor's degree and must have taken mathematics subjects up to the calculus level. In this connection, permission to full time study leave with pay is granted to qualified statistical personnel.
4. Entrance examinations for the Master of Statistics program are scheduled on May 23 and 30, 1983. Applications are now accepted.
5. Inclosed are the pertinent details of the Master of Statistics Program.
6. Immediate dissemination of this Memorandum to all concerned is desired.

MASTER OF STATISTICS PROGRAM

The Master of Statistics program is offered to persons with at least a Bachelor's degree who desire to engage in applied statistics. The objective of the program is to prepare graduate students to meet the need of industry and government for statistical personnel at the supervisory level.

I. Requirement for Admission

- 1) An applicant must possess a bachelor's degree or its equivalent from the University or from recognized institutions of learning.
- 2) An applicant must have high quality and integrity of intellect. These qualifications shall be determined through
  - a) examination of undergraduate credentials; and
  - b) interview with the applicant,
- 3) An applicant must have taken mathematics course up to the level of integral calculus.
- 4) An applicant without a Bachelor's degree in statistics will be required to pass Stat. 100 and Stat. 195.

II. Requirements for Graduation

- 1) Completion of 27 units of required and elective courses with a weighted average of at least "2.0".
- 2) Residence of at least one full academic year (3 trimesters) before granting of degree.
- 3) Submission of an acceptable Master's report (Plan A) or passing an additional 9 units of electives and a comprehensive examination in Statistics (Plan B).

Note: Applicants who pass the entrance examination will not be required to take Stat. 100.

III. Plan of Study

|  | Plan A   | Plan B   |
|--|----------|----------|
| Required Courses                                       | 18 units | 18 units |
| Stat. 230 Probability and<br>Probability Distributions |          |          |
| Stat. 231 Statistical Inference                        |          |          |
| Stat. 201 Statistical Opera-<br>tions I                |          |          |
| Stat. 202 Statistical Opera-<br>tions II               |          |          |
| Stat. 232 Regression Analysis                          |          |          |
| Stat. 233 Experimental Design                          |          |          |
| Elective Courses*                                      | 9 units  | 15 units |
| Master's Report  | 5 units  |          |
| Total  | 32 units | 36 units |

\*/ One cognate may be taken in fields related to statistics.

IV. SCHEDULE OF COURSES FOR PLAN B

FIRST TRIMESTER, JUNE 6, - SEPTEMBER 2, 1983

|           | <u>SUBJECT</u>  | <u>UNITS</u>      |
|-----------|---|-------------------|
| Stat. 100 | Review of Calculus;<br>Matrix Algebra for<br>Statistics | 3 (undergraduate) |
| Stat. 195 | Seminar Course in<br>Statistics                         | 3 (undergraduate) |

SECOND TRIMESTER, SEPTEMBER 19 - DECEMBER 17, 1983

|            | <u>SUBJECT</u>                | <u>UNITS</u> |
|------------|-------------------------------|--------------|
| Stat. 210* | Computer Programming          | 3            |
| Stat. 230  | Prob. and Prob. Distributions | 3            |

THIRD TRIMESTER, JANUARY 5 - APRIL 5, 1984

|           | <u>SUBJECT</u>        | <u>UNITS</u> |
|-----------|-----------------------|--------------|
| Stat. 231 | Statistical Inference | 3            |
| Stat. 201 | Sampling Techniques I | 3            |

SUMMER, APRIL 15 - MAY 28, 1984

|           | <u>SUBJECT</u> | <u>UNITS</u> |
|-----------|----------------|--------------|
| Stat. 200 | Elective       | 3            |

FIRST TRIMESTER, JUNE 6 - SEPTEMBER 2, 1984

|           | <u>SUBJECT</u>      | <u>UNITS</u> |
|-----------|---------------------|--------------|
| Stat. 232 | Regression Analysis | 3            |
| Stat. 202 | Survey Operations I | 3            |
|           | Elective            | 3            |

\* / Students who have taken the first course in Computer Programming may take a statistics elective in lieu of Stat. 210.

- 4 -

SECOND TRIMESTER, SEPTEMBER 19 - DECEMBER 17, 1984

|           | <u>SUBJECT</u>      | <u>UNITS</u> |
|-----------|---------------------|--------------|
| Stat. 233 | Experimental Design | 3            |
|           | Elective            | 3            |
|           | Elective            | 3            |

THIRD TRIMESTER, JANUARY 5 - APRIL 5, 1985

|  | <u>SUBJECT</u>            | <u>UNITS</u> |
|--|---------------------------|--------------|
|  | Elective                  | 3            |
|  | Comprehensive Examination |              |

Plan A students will write their Master's Report during the second and third trimesters, 1984-85.

V. SCHEDULE OF FEES PER TRIMESTER

1. Tuition fee - P50 per unit\*
2. Miscellaneous fees - P215.50

\*/ Government employees are entitled to a 50% discount.
