No. 107, s. 1983

SEMINAR-WORKSHOP ON THE PREPARATION OF CURRICULUM CONTENT
FOR DIPLOMA IN INDUSTRIAL TECHNOLOGY (DIT)
AND MASTER IN TECHNICIAN EDUCATION (MTE)

To: Bureau Directors
Regional Directors
Presidents, State Colleges and Universities
Vocational School Superintendents/Administrators

1. For the program implementation of the Technical and Vocational Education Project of the Philippines, covered by Loan Agreement No. 531 Phil with the Asian Development Bank for the improvement of technician education, a seminar-workshop on the preparation of the curriculum content and the review of curriculum materials to conform with equipment needs of the project as contained in MECG Order No. 38, s. 1982 will be held on May 9-June 30, 1983 at the Miyas in Bulacan, Malolos, Bulacan.
2. The main objective of the seminar-workshop is to come up with the detailed curriculum content of the approved curricula for the Diploma in Industrial Technology and the Master in Technician Education and to review the curriculum content of the technician curriculum to conform with the equipment needs of the project.
3. Participants to this workshop are to be selected from among the project institutions, other technical institutions and from the industrial sector. The list of participants, consultants, management staff and secretariat is found in the inclosure.
4. Expenses in connection with the workshop and the travel to and from the workshop site of participants, consultants, management staff and secretariat shall be charged against the project funds, subject to government accounting and auditing rules and regulations.
