1. The administration of the 1983-1984 Philippine Educational Placement Test (PEPT), the principal instrument used in the Ministry's Project called the Accreditation and Equivalency Program (AEP), is scheduled on December 11, 1983 from 8:00 A.M. to 12:00 noon and from 1:00 to 5:00 P.M. simultaneously throughout the country.

Whenever possible, examinees are to be seated in a big room, library, gymnasium or conference hall in groups of 30, with one proctor assigned to watch each group. However, there should be only one examiner for the entire room. Those who cannot be accommodated in the big room may be placed in the regular classrooms.
3. To economize on transportation expenses, all test materials will be delivered by the NESTC representatives to the divisions concerned. Information concerning the date and time of their arrival will be sent to the regional and division offices.
4. Guidelines on the administration of the PEPT are given in the inclosure for the information and guidance of the field.
5. It is desired that the guidelines on the administration of the PEPT be promptly attended to and strictly followed. Necessary steps should be taken to maintain the security of the materials to insure the integrity of the examination.
