No. 11, s. 1984

NCEE NATIONAL CUT-OFF SCORE FOR SCHOOL YEAR 1984-1985

To: SUGGEST Directors  
Regional Directors  
Schools Superintendents  
Presidents, State Colleges and Universities  
Heads of Private Schools, Colleges and Universities

1. The Ministry of Education, Culture and Sports, through the National Educational Testing Center, hereby announces the 1984 national cut-off score of 45 percentile. This applies to all degree programs necessitating a minimum of four years of academic study, except the teacher education degree program. For the latter, the cut-off score has been raised to 55 percentile.

2. During school year 1984-1985, therefore, all those who took the 1983 NCEE must first obtain a percentile score of at least 45 for them to be permitted to take up any degree program in college of at least 4 years in length, except teacher education. Freshman enrollees in teacher-training institutions will be required an NCEE rating of at least 55 percentile.

3. The attention of Admissions Officers/Registrars is invited to MECS Order No. 9, s. 1983, "Policies on the National College Entrance Examination," Section V, Paragraph 3, which states that

"Colleges/Universities are required to indicate the 33A Percentile rank and the year the NCEE was taken in the Form 19 and transcript of records of graduating students and other such exit credentials."

4. Strict compliance with the foregoing is enjoined to preclude the proliferation of cases of students who are candidates for graduation but who have not complied with the NCEE requirement.

5. Immediate dissemination of the contents of this Memorandum is requested.
