MEMORANDUM
No. 84, 3, 1984

SUMMER ACTIVITIES OF SCHOOL HEALTH PERSONNEL

To: Bureau Directors
Regional Directors
School Superintendents

1. In order to maintain a continuous and cohesive school health services during the summer months of April and May, all school health personnel (physicians, dentists, nurses and medical technologists) should conduct health examination and consultation among school administrators, classroom teachers and ancillary personnel in all regional offices/school divisions.
2. The health clinic shall be established in every division office to be manned by the school health personnel or in a central school nearest their place of assignment. If necessary, arrangements shall be made with the office of the superintendent regarding medical, dental and nursing supply requirements to meet the health needs of said school personnel.
3. Individual health records of school personnel examined or treated shall be kept on file for reference.
4. A consolidated report on health examinations, consultations, and/or treatments done during the summer period shall be submitted to this office before the opening of ensuing school year.
5. Due to the fiscal restraint policy of the government, no travel allowances shall be allotted for these summer activities.
6. Immediate dissemination of the contents of this Memorandum is desired.

(SGD.) JAIME C. LAYA
Minister
