DECS DEPARTMENT
No. 145, a. 1984

CALENDAR OF SCIENCE EDUCATION ACTIVITIES FOR SY 1984-1985

To: Area Directors
Regional Directors
Chiefs of Services and Heads of Units
School Superintendents
Principals, State Colleges and Universities
Heads of Private Schools, Colleges and Universities

1. Included for the information of the field, is the 1984-1985 Calendar of Activities of the Science Education activities as prepared by the Science Education Institute, NSTA and the Ministry of Education Joint Executive Committee.
2. The activities are designed to promote and develop science and technology consciousness among the youth and the general public through the organization and mobilization of science clubs in schools, colleges and universities of the country.
3. The Calendar starts with activities for the celebration of the National Science Club Month in September conformably with Presidential Proclamation No. 145, dated September 4, 1979. Other activities are the Siglap Awards, Herbal and Medicinal Garden Contest, Park Advancement Program, Survey of Science Clubs, 1984 Search for Boys (District level up to the national level), Science Camps, Youth Research Apprenticeship Action Program, Science Club Advisers Leadership Training Program, Energy Related Projects, and activities of the Youth Science Clubs as well as those of the Science Club Advisers Association.
4. It is emphasized that these activities are intended to support the science and mathematics programs of the Ministry of Education, Culture and Sports and the development of aesthetic and social values of the youth. The participation/involvement of the school pupils and students in these activities is basically voluntary in nature. However, the cooperation and support of all concerned is hereby earnestly requested to ensure the effective and successful conduct and implementation of these activities. Care should be exercised in undertaking such activities to avoid undue disruption of or interference with the regular school program.

c
s.

5. SPI-NSA representatives shall work out the details of implementation of the various activities at local levels with the school officials concerned. The regional directors take care of regional activities and the schools division superintendents in the case of division activities.
6. Regional and division supervisors and teachers of Science and Mathematics; college- and high school advisers and members and all others involved in the promotion of Science and Mathematics such as the non-formal education coordinators, school paper advisers and campus writers, and the students, are enjoined to extend the cooperation as well as maximize their support, attendance and actual participation in the calendared activities.
7. Travel expenses incident to the participation of those concerned in national level activities shall be provided by SPI-NSA. Interested participants who wish also to attend the national, regional and local activities will be allowed official time only. They shall solicit assistance from appropriate sponsors to finance their travel expenses.
8. It is desired that the contents of this Memorandum be disseminated to all concerned.

(SCL.) MARSHALL I. FELT
Deputy Minister
Officer-in-Charge
