MEMORANDUM
No. 101, s. 1984

TEXTBOOKS FOR ELEMENTARY AND SECONDARY PRIVATE SCHOOLS

To: Regional Directors
Heads of Private Schools, Colleges and Universities

1. Presidential Decree No. 637, issued April 22, 1975, vests in the Textbook Board the vital function of selection and approval of textbooks for use in all public elementary and secondary schools, including the approval of textbooks used in private elementary and secondary schools.
2. The above mentioned decree also provides that except in exceptional cases as may be determined by the Textbook Board the textbooks selected and approved shall be used for a period of at least six (6) years from the date of their adoption. Private schools recognized or authorized by the government shall, as much as possible, use textbooks approved by the Textbook Board. The Board shall have the power to prohibit the use of any textbook in private schools other than those approved by the Board, which it may find to be against the law or offensive to the dignity and honor of the government and people of the Philippines or which it may find as pedagogically unsuitable.
3. In order to minimize the expenses incurred by parents of pupils/students enrolled in private schools, the frequent change of textbooks should be minimized, at least while the present economic crisis lasts. If possible, the schools concerned may purchase enough textbooks to be used, on yearly basis to pupils/students at reasonable cost.
4. Inclosed is a list of textbooks duly approved by the Textbook Board from 1979 to 1983. The textbooks approved in 1983 would still be usable for five more years or until 1988. Those approved in 1981 would be good until 1987; those approved in 1980, until 1986 and those approved in 1979, until 1985.
5. Please be guided accordingly.
