MECS MEMORANDUM
No. 35, s. 1985

7th COUNTRY COURSE ON TECHNICIAN EDUCATION AND TRAINING

To: Deputy Ministers
Bureau Directors
Regional Directors
Schools Superintendents
Presidents, State Colleges and Universities
Vocational School Superintendents/Administrators

1. One of the major functions of the educational system is the provision of an adequate and well-coordinated program of technician education and training for the preparation of middle-level skilled manpower required for national development.
2. In line with this, the Ministry of Education, Culture and Sports and the Colopro Pinar Staff College in Singapore, assisted by other public and private institutions/organizations, will conduct the 7th In-Country Course on April 24-26, 1985, at Neralec Foundation, Talisay, Batangas.
3. The theme for this Conference is "Integrating Policies in Technician Education." It is designed to generate a set of recommendations that will systematize and institutionalize technician education policy-making, program development and linkages relevant to and compatible with the present and future requirements of development.
4. The participants to this Conference are senior administrators and/or key decision makers concerned with the development of technician education.
5. Travel expenses shall be drawn from local funds, subject to the usual accounting and auditing regulations.
6. Immediate dissemination of this Memorandum is desired.
