MECS MEMORANDUM  
No. 48 s. 1985

FILLING VACANT TEACHER ITEMS IN ELEMENTARY  
AND SECONDARY SCHOOLS

To: Bureau Directors  
Regional Directors  
Schools Superintendents  
Presidents, State Colleges and Universities  
Vocational School Superintendents/Administrators  
Chiefs, Elementary Education Division

1. The current economic crisis demands reasonable thrift measures to support the economic recovery program of the government. In view hereof, all vacant teacher items should not be filled unless the enrolment warrants a teacher-pupil/student ratio of one (1) teacher to thirty-five (35) or more pupils or an average of forty (40) pupils/students per class. This applies to both the elementary and secondary schools where some teachers have very few students, thus incurring wastage of government funds.
2. Immediate attention and widest publicity of this Memorandum is desired.

{SGD.} JAIME C. LAYA  
Minister
