DECS MEMORANDUM
No. 57, s. 1987

ORGANIZATION OF DECSRO HIGHER EDUCATION DATA BANK

To: Bureau Directors
Regional Directors
Presidents of State Colleges and Universities
Heads of Private Schools, Colleges and Universities

1. Responding to the imperative need for data on higher education, the Bureau of Higher Education is updating its existing data gathering system to improve its operational efficiency. The measure is intended to cope with the challenges and demands on tertiary education posed by the Education Act of 1982, as well as to provide essential information on higher education to policy and decision makers, educators and institutional planners and administrators, researchers, and other end-users.

2. In this regard, the organization of the Higher Education Data Bank (HEDB) in the thirteen (13) regional offices of the Department of Education, Culture and Sports is imperative. One of its immediate concerns is to generate the data on higher education for school years 1985-1986 and 1986-1987. The data will be gathered from all the tertiary schools in the country through the regional offices.

3. In view of the significance of this project all the regional directors, heads of government and private schools, colleges and universities are enjoined to support and cooperate with the R.M.E. researchers who will organize the regional HEDB as well as administer and retrieve survey questionnaires.

4. It is desired that this Memorandum be immediately disseminated to all those concerned.

(SGD.) LOURDES R. QUESERINO
Secretary
