D E C S MEMORANDUM
No. 94, s. 1987

SEMINAR-WORKSHOP ON THE FABRICATION
OF HIGH SCHOOL SCIENCE EQUIPMENT

To: Bureau Directors
Regional Directors
Schools Superintendents
Heads of Private Schools, Colleges and Universities
Vocational School Superintendents/Administrators

1. The Department of Education, Culture and Sports, through the Bureau of Secondary Education, will conduct a seminar-workshop on the development and fabrication of prototype science equipment at General Pio del Pilar Elementary School Instrumentation Center, corner Arnaiz and Baungena Sts. Makati, Metro Manila on May 25-June 5.

2. The training program aims to provide secondary science teachers, in cooperation with industrial arts teachers, with adequate training on the fabrication of science equipment. This is also to enable them to develop/construct science equipment out of locally available materials, in preparation for the implementation of the Proposed 1989 Secondary Education Curriculum.

3. Participants will be composed of one (1) secondary science department head, one (1) Science I teacher, one (1) Science II teacher, and one (1) Industrial Arts teacher from each region to come from the proposed Regional Science Equipment Fabrication Center, recommended by the region.

4. Travel expenses and cost of materials shall be chargeable against project funds allotted from PRODED funds, subject to the usual accounting and auditing regulations.

5. Immediate dissemination of this Memorandum to all concerned is desired.

(SGD.) LOURDES R. QUISUMBING
Secretary
