DECS MEMORANDUM
No. 110, s. 1987

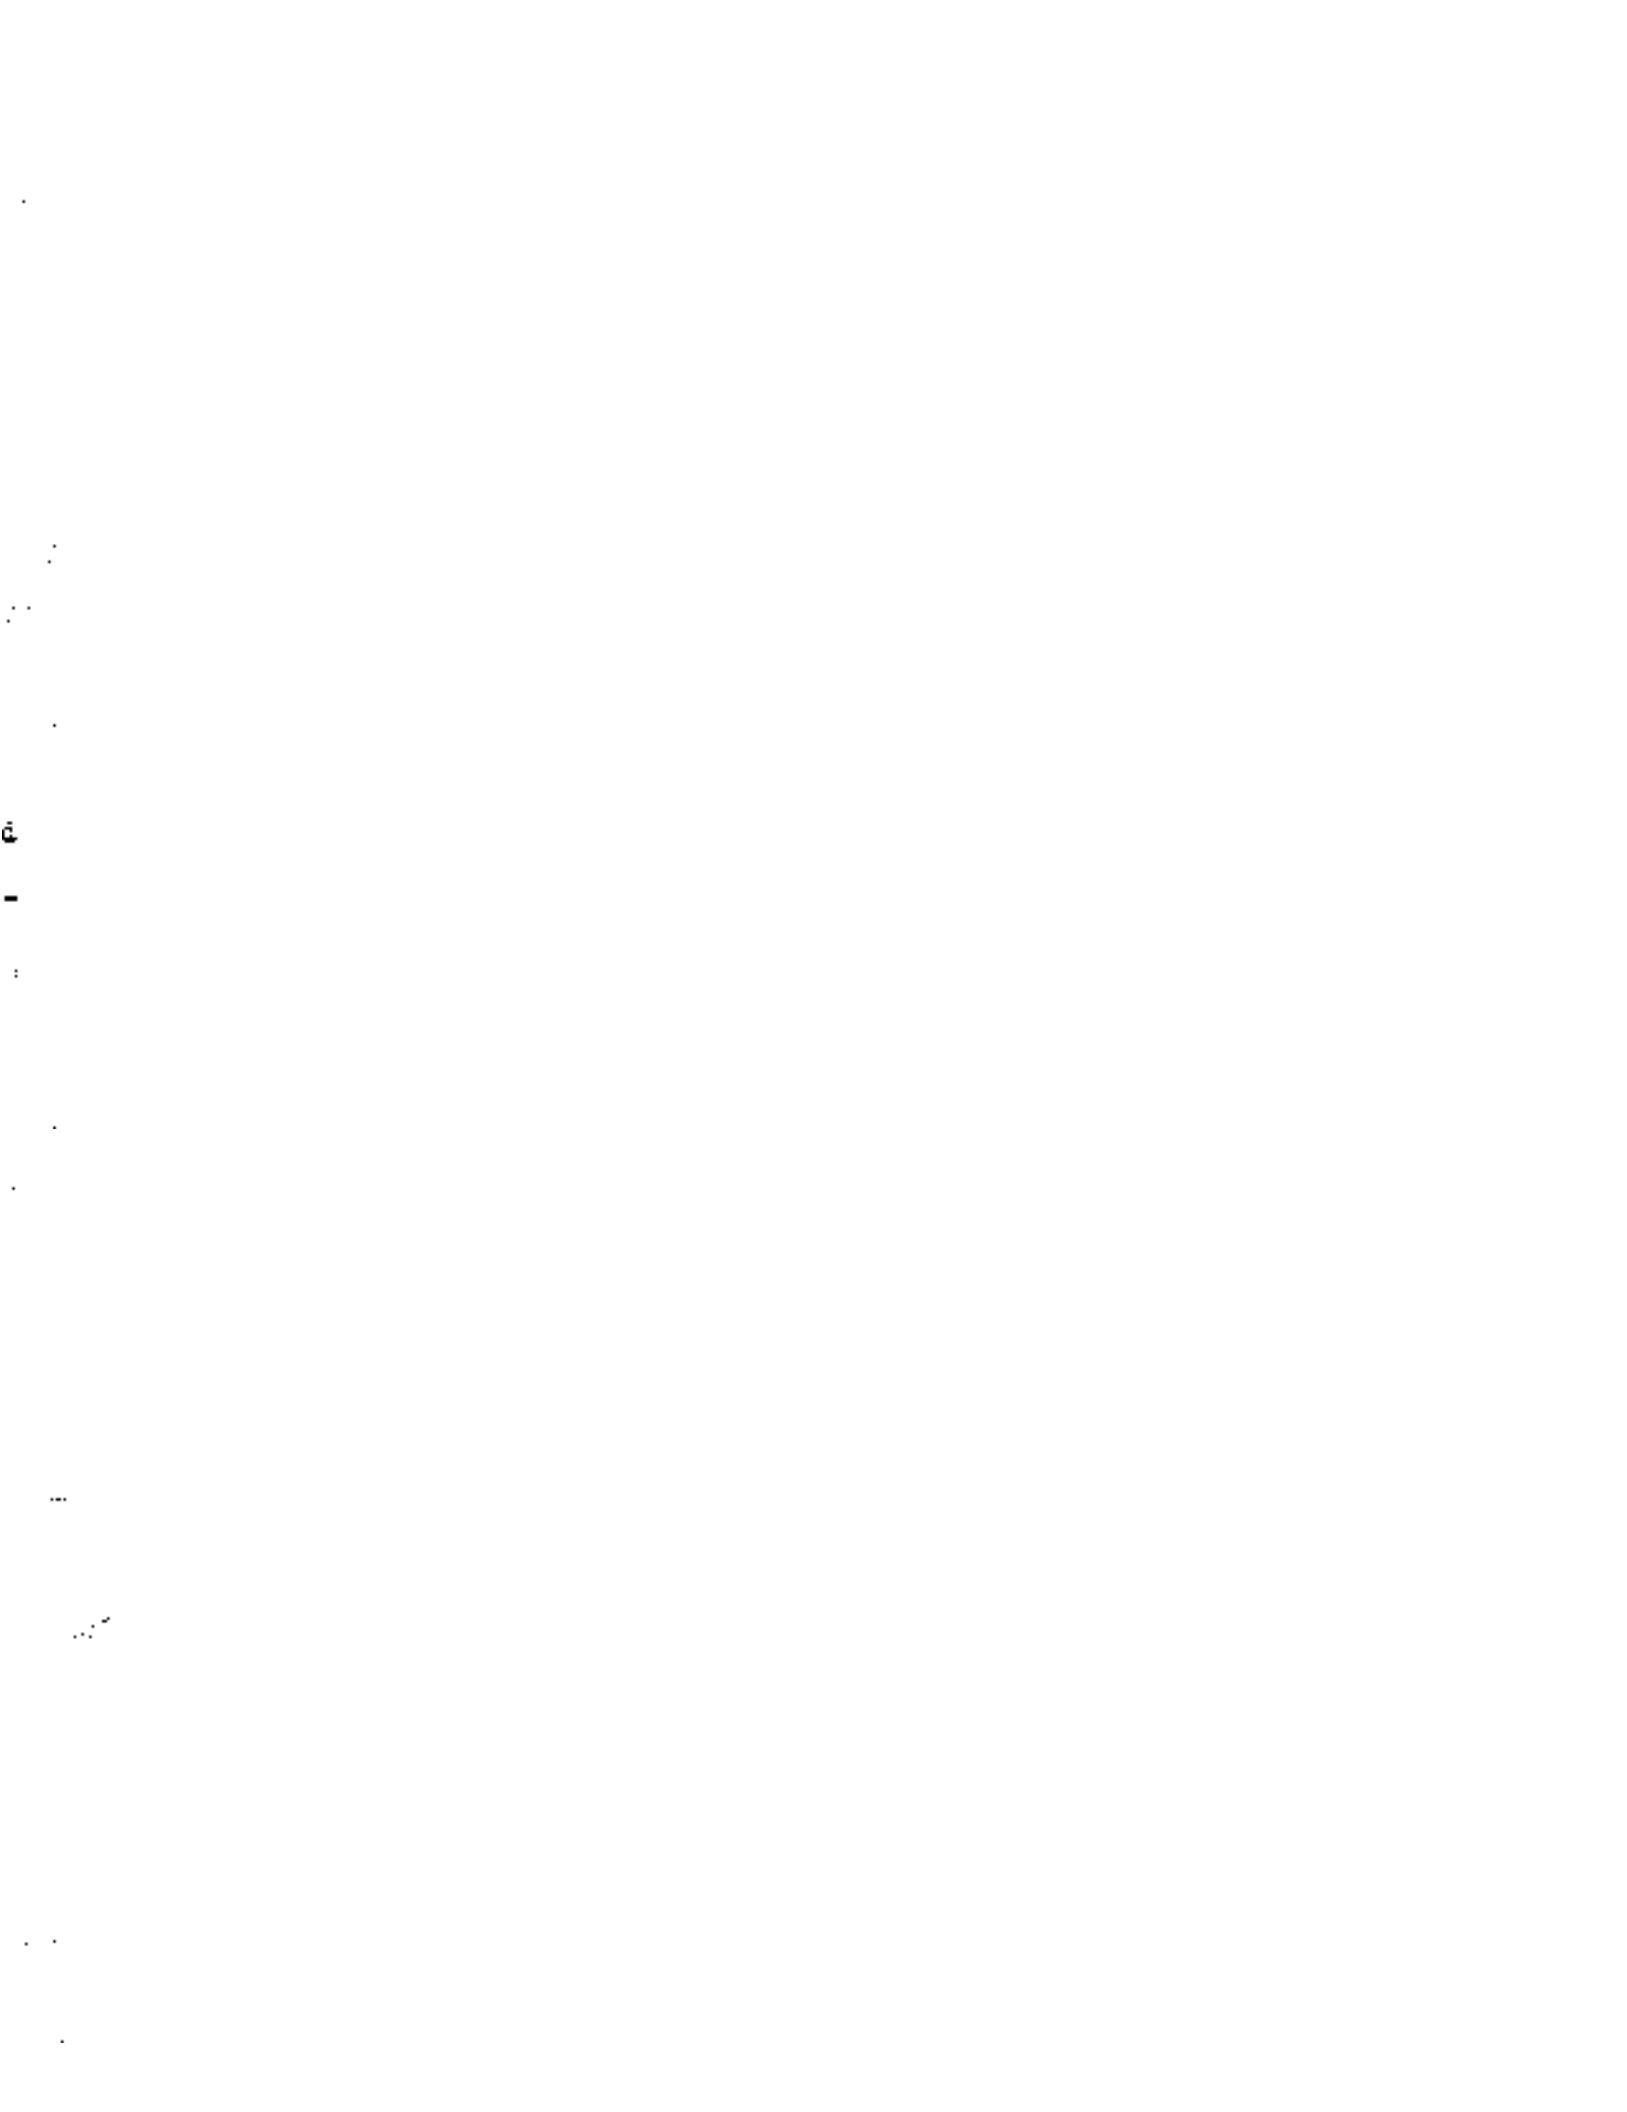

1987 NUTRITION MONTH CELEBRATION

To: Bureau Directors
Regional Directors
Chief of Service and Heads of Units/Centers
Schools Superintendents
Presidents, State Colleges, and Universities
Heads of Private Schools, Colleges and Universities
Vocational School Superintendents/Administrators

1. Conformably with Presidential Decree No. 491, dated June 25, 1975, the month of July has been designated as Nutrition Month.
2. The theme of the 1987 month-long celebration is "Sa Pagbabuklo ng Diwa at Bisig, Wastong Nutrisyon Makakamit" to underscore the importance of concerted efforts of family members, of families within a community and of the school and other agencies, in the attainment of proper nutrition.
3. This year's Nutrition Month celebration is intended to:
 - create awareness on the concept that proper nutrition is everybody's concern and could be attained and maintained through cooperation and coordination among individuals and groups;
 - emphasize the role and responsibility of the family and individual members in the requirement of good nutrition;
 - stress the value of the "bayanihan" spirit in achieving community health and nutrition;
 - strengthen linkages of the school with government agencies and non-government organizations concerned, for the improvement of health and nutrition of school children and other family members; and
 - start the year-long nutrition education and nutrition related activities.

4. The activities (listed in the enclosure) for the 1987 Nutrition Month celebration and for the rest of the school year are suggested ways by which the above-mentioned objectives could be attained.

5. It is expected that the regional/division working committee on health and nutrition and the regional/division coordinator of non-formal education meet with the representatives of private schools, government agencies, and non-government organizations concerned, to select from, enrich/modify, the suggested activities to suit a particular curriculum level, and to plan for effective community participation in the month-long celebration and for their continuing involvement in the school and community nutrition program.

6. All schools, both public and private in all curriculum levels, are expected to participate in the observance of this celebration.
7. It is requested that a brief narrative and pictorial report on the Nutrition Month celebration be submitted by the regional working committee on health and nutrition to the School Health and Nutrition Center, DECS, Manila, on or before September 15, 1987. Also, a similar report should be included in the annual report of the regional directors.
8. Immediate dissemination of this Memorandum is desired.
