MEMORANDUM
No. 141 s. 1987

FORMATION OF TASK FORCE TO INVESTIGATE THE ACTIVITIES
OF ALLEGED SATANIC GROUPS IN SCHOOL CAMPUSES

To: Regional Directors
Schools Superintendant
Deans of State Colleges, and Universities
Heads of Private Schools, Colleges and Universities
National School Superintendence Administration

1. This Office has received several reports that certain groups of young people called "Satanic Groups" are roaming around Metro Manila and some urban centers in the country. These groups have reportedly succeeded in infiltrating some public schools in Manila. Some parts of Marikina and the Alibon, Lungsod, Quezon City were also reported as their areas of operations.

2. The Satanic groups are divided into tribes called "The Infernal", "Exploited", "Devil's Tribe", "Herald", "Bazooka", "Haters", and "Demi Paradiso". The distinguishing appearance of gang members are Mohawk-like hairstyles like that of Mr. T of the Tag TV series. They wear inverted crucifixes, and their slogan are "No government", and "No future". Some of the symbols they use are "Inverted", or the "Inverted Cross", the "Infernal", the upside down "Infernal", and the "Infernal" on the "Demi Paradiso".

3. Members of the group perform ritualistic wedding ceremonies, rituals or sacrificial rites in the name of Satan. Sex angles are performed to initiate new members. Group members also indulge in brainwashing, child abuse, terrorism, violence and crime of murder and mutilation of bodies.

4. The alarming and violent activities of these groups in relation to the danger it poses to human health and to demoralizing effects on our youth require the alertness of school officials on the presence of these groups in their school campuses. In schools infiltrated by these groups, school officials should organize task forces to investigate the matter.

and institute appropriate measures to prevent the growth of these evil groups. It is suggested that local authorities such as the parish priest, municipal mayor, and the chief of police be immediately informed about the existence of such groups in school campuses or in the community.

5. Wide dissemination of this Memorandum is enjoined.
